Wow, what a home! You will love the new kitchen. Oak style cabinets add warmth and provide plenty of cabinet space including a pantry. There is a breakfast bar to the side of the kitchen. The appliances include a dishwasher and micro replaced in '07 and the range was replaced in '08. The micro is conveniently built in above the range. The kitchen opens up to the dining room with a built in buffet that matches the cabinetry in the kitchen. The living room is spacious and furniture placement is a breeze! The Bahama shutters on the front add tropical style and provide privacy & protection from hurricanes for the living and dining rooms. The FL room is located off the living rm through sliding glass doors. In the FL room is a large storage closet and access to a private fenced garden/retreat. The master bedroom is spacious and has an adjoining remolded bathroom w/ a Jacuzzi tub. This home has many great features and it is a must see! Call and we'll take a look.
