What a beautifully remodeled home with a spectacular eastern exposure view of the lake. This home can come with or without an electric lift for those who are handicapped. The kitchen is a galley style with a window above the sink for plenty of natural light. The cabinets are a white milmine featuring pull out shelving through out. There is a side by side refrigerator (self defrosting), a glass top range w/ a self cleaning oven, a built in micro, & dishwasher. The laundry is located in a large closet adjacent to the kitchen complete w/ a washer and dryer. The L shaped living and dining room are spacious and have plenty of windows. There is 18" white Italian tile throughout expect for the bedrooms (they are carpeted). There is a sliding glass door in the living room that leads out to a relaxing florida room overlooking the lake. The master bedroom is large with a walk in closet. The master bathroom has a separate room for the toilet & tiled tub/shower combo. New vinyl siding, dbl hung windows, and extra insulation complete this fantastic buy!
